

Points from the last Vestry Meeting:

- Representatives of St David's Raincliff have been to view the Eagle Lecton. They were very excited that St John's has donated it to them, and they have taken it with them. The past members of St Peter's Otipua/ Kensington parish requested a plaque be made and will be attached to Eagle Lecton.

- The Christmas Market is well underway. If you know of anyone who would like to have a stall, please have them contact the office ASAP. Almost half of the sites have already been sold.

- A new Zip has been installed, thank you to the generous donations.
